

Congratulations, your **Remote-Controlled (RC)** team has been selected to participate in NASA's 2025-2026 Human Exploration Rover Challenge! This year's participants in each division will be listed on the HERC website.

2026 HERC Kickoff and Design Review (DR) Expectations Teleconference: Tuesday, October 7 at 9:00 AM and 3:00 PM CT

In the Kickoff Teleconference, we will share critical information about the challenge, including important changes for the 2025-2026 year. There will be two identical sessions offered, one at 9:00 AM CT and the other at 3:00 PM CT. See below for connection information. This videoconference is open to all team members, faculty, educators, and mentors affiliated with a HERC team. We highly encourage the designated team leader from each college/university team and adult advisor from each high school/middle school team to attend. **Please ensure that at least one member of your team attends one of the sessions.**

Frequently Asked Questions Webpage

The FAQ webpage will be used to provide updates and clarification to rules and requirements as the year progresses. Teams should review this page periodically and consult it before submitting questions. **If there is a discrepancy between the HERC Handbook and the FAQ page, defer to the information on the FAQ page, found here: [FAQ](#)**

Again, congratulations on successfully navigating the first milestone.
